Sc			
State of progress	Precautions		
Preparation for scanning	- Gantry is moving. You will feel small vibrations Gantry is rotating. You will hear a large sound.	Scanning steps in progress	
Contrast imaging	-Contrast imaging is starting. You will feel hot.		
Scanning	-Scanning is starting. Prepare for breath holding.		
Scanning completed	-Scanning is completed. Please wait for a while.		

FIG. 11

9/12

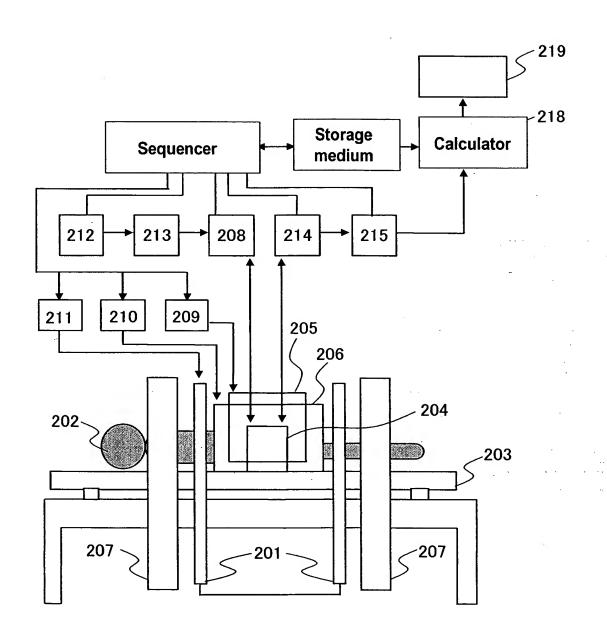

FIG. 12

	Name	Breath holding time	Tendency of fluctuations in heart rate			
ID			Breath holding	Contrast imaging	Fluctuations in heart rate in previous scanning	
0001	Name1	40s	↑ Up	-Stay	Brth. Cnt.	
0002	Name2	35s	-Stay	↑ Up	Brth. Cnt.	
0003	Name3	55s	↓ Down	-Stay	Brth. Cnt.
